Champions inspired by values

Social Media

As part of our marketing strategy we are taking as many photographs as we can of the various events and activities that take place at Riverview with the intention of publishing some of the photographs on our website, in the Corridor and on Facebook.

As far as possible the photographs will be of groups and not individual children but we will publish a short paragraph about the activity that may or may not include the names of the pupils.

As we respect your right to privacy, we ask that you complete this form so that we may have permission to use the photographs with your child in.
