From the Interim-Head's Desk:

Term 2 Week 3

22 May 2025

Welcome to this week's newsletter! A reminder to parents of children in Grades 6 and 7 that our examinations begin in just over two weeks' time; please encourage your child to set aside time, each day, during which revision work can be done. **Please do not allow them to waste this time!**

I would like to let you know that we have planned a visit to Riverview from **Mrs Nicole dos Santos**, who is the Head of Innovation at Penryn Prep and College in Nelspruit. Mrs dos Santos is an Apple Professional Learning Specialist, and she is also a Google Certified Coach. She supports educators, parents and scholars in navigating the digital world with confidence, creativity and responsibility, with a strong focus on cyber and social media safety, to help communities thrive in a connected age.

Mrs dos Santos will be visiting us on **Tuesday the 17th of June**. She will address the Grades 4, 5, 6 and 7 scholars initially; she will then talk to interested parents who are able to make the time. I recently attended a function at Flamboyant Remedial School in White River, at which Mrs dos Santos was the guest speaker. I am sure you will find her talk interesting and informative. I shall confirm times as soon as these are available, but, in all likelihood, parents may meet Mrs dos Santos from 12.45 to around 1.30pm. If your child has his or her own cell-phone, this talk will be aimed at you!

A reminder to **Pre-Primary Mums** that you are invited to the Sip 'n Paint tomorrow, Friday, at 10.00 am!

Enjoy a pleasant weekend!

Derek Reynish

Week ahead:

Friday 23 May - Pre Primary Mother's Day Sip 'n Paint.

Friday 23 May - U10-13 Netball & U11 Rugby @ Curro Meridian.

Tuesday 27 May - U7-Open Girls & Boys Soccer @ Curro Mbombela.

Thursday 29 May - U9-Open Netball, U10-Open Soccer v Skukuza @ RPS.

Friday 30 May - Slipper Day.

Saturday 31 May - U7/8 Rugby & Netball @ Laerskool Laeveld.

Saturday 31 May - Senior Primary Sport Winter Festival @ Curro Meridian.

Slipper Day

Slipper Day is next Friday **30 May**, inviting South Africans to Do It For The Dreamers by purchasing a R20 sticker, wearing their slippers, and helping to fulfil the dreams of children facing life-threatening illnesses. It's a simple yet powerful way to bring hope and joy to those who need it most.

Please send R20 with your child to buy their sticker to support The Reach for a Dream Foundation in making the dreams for children with terminal illness a reality.

From the Sport's Desk

The past week has been challenging, yet very exciting on the sport fields. The Open A girls played league netball at Laerskool Malelane. They ended up 4th out of 5 schools after battling it out with Skukuza. Micaela Fourie and Khanya Dladla pulled the girls through with some dashing and surprising goals. On Tuesday, 20 May 2025, The girls played against Curro Mbombela and had a successful day on the netball court.

The boys played rugby at Laerskool Malelane on the 20th of May. This was the first time that Riverview has played rugby against Laerskool Malelane and parents were in awe. Our hosting school, Laerskool Malelane, showered our boys with praise with everything they have achieved in such a short rugby season, having never played rugby before. We can be very proud of them!

Junior Primary Mother's Day Picnic

As we celebrate our precious mothers during the month of May, the Junior Prep appropriately invited their moms and grandmothers for a morning picnic. The children could plant Spekboom cuttings in a pot and decorate it with their loved ones.

Pre-Primary News

This week the Cubs class was buzzing about! Here's why - in honour of little, beautiful creatures called bees. They thanked the bee by dressing up for World Bee Day. Here's a little interesting fact, bees are the only insects that make us food, that being sweet honey! How amazing is that!

Grade 00s learnt all about colours this week. Learning through play while developing their fine-motor skills, hand-eye coordination and team work.

We have also welcomed a new friend this week. Welcome to Wali Bilal.

Grade 0s celebrated World Bee Day on the 20th May by promising to provide a safe drinking spot for bees and planting flowers in their garden.

"I wait quietly before God, for my hope is in Him".

DR JOHN FRANCIS
HOLISTIC COACHING METHOD
Neuroscience - Psychology - Breathwork

**HOLISTIC LIFE
COACHING &
WELLNESS SESSIONS**

We believe that every individual has the potential to live a fulfilling and purposeful life. Our holistic coaching approach combines personalized guidance, mindfulness practices, and evidence-based strategies to support your journey towards achieving balance, and well-being in all areas of your life. A life coach encourages you to step out of your comfort zone and challenge yourself.

Holistic Life coaching in specific areas:

- Trauma & PTSD
- Stress & Depression
- Relationship Issues
- Feeling stuck in life
- Procrastination, Laziness
- Poor communication
- Low energy & Health issues
- Career & Work Matters

Three Steps:

Step 1: Identify your need and send a WhatsApp message to 0733469123.

Step 2: Once I receive your inquiry message, I'll call you and arrange a 30-minute introductory session with you.

Step 3: Once you agree, I'll send you all the necessary information to begin the session.

Note:

All sessions will be either online (Zoom & WhatsApp Sessions) or face-to-face. All the sessions are highly confidential and follow professional standards. He also offers his services globally.

DR JOHN FRANCIS Ph.D

Dr. John is a published author, certified professional life coach & NLP practitioner, health & wellness expert, leadership trainer, and a speaker with a Ph.D. in leadership and management. In addition, he is a researcher in holistic medicines. With 17 years of experience in the field of education, coaching, and counselling, he has helped more than 300 individuals grow through therapy, counselling and holistic coaching sessions.
